1	Agilent	53150A	Frequency Converter	Oberlin, OH 44074

NOTE TO VENDOR: Please submit a quote (you may use your company's letterhead), incorporating the attached "Terms and Conditions Sheet" for this requirement. The units must be quoted as FOB Destination (shipping included). Terms and conditions which differ, in part or in total, from those contained in this document will not be considered nor accepted by the Government. The terms and conditions herein may only be changed as a result of price negotiations, quantity / payment discounts offered by the Vendor, or changes to delivery terms / schedule for the supplies / services required as agreed to by both parties. In these instances, the Contracting Officer shall clearly document any agreements in the contract for the benefit of both parties prior to contract award.

The FAA may award a single award based upon the total aggregate offer, or may split awards based upon individual line item quoted pricing (multiple awards). This will be based upon competitive quoted prices.

Quotes are to be quoted FOB Destination (MMAC, Oklahoma City, 73169); please include estimated delivery timeframe. All quotes should be submitted electronically to the following address:

christopher.ekadis@faa.gov

Vendors must respond by 2:00 p.m. CST (Oklahoma Time), Tuesday, September 18, 2012.

Responses should be submitted in a Microsoft Word document (preferred); however, portable document format (i.e. .pdf file) is acceptable. The FAA will not respond to telephonic inquiries.

The FAA will not pay for any information received or costs incurred in preparing responses to this RFQ. This announcement shall not be construed as an obligation on the part of the FAA to acquire these products. Responders to this announcement may be asked to provide additional details/information based on their initial response. The final determination by the FAA not to open this requirement to competition, based on any information provided, is solely within the discretion of the FAA.

This Notice is for informational purposes for Minority, Women-Owned and Disadvantaged Business Enterprises: The Department of Transportation (DOT), Office of Small and Disadvantaged Business Utilization, has a program to assist small businesses, small businesses owned and controlled by a socially and economically disadvantaged individuals, and women-owned concerns to acquire short-term working capital assistance for transportation-related contracts. Loans are available under the DOT Short Term Lending Program (STLP) at prime interest rates to provide accounts receivable financing. The maximum line of credit is \$750,000. For further information and applicable forms concerning the STLP, call the OSDBU at (800) 532-1169."

NOTE: This original announcement was posted on the FAA's Contracting Opportunities website. If you are viewing this from another source, it may not contain all pertinent information. You may visit the FAA's website at www.faaco.faa.gov.
